we will not sell god s word this torah version is priced as low as amazon will allow enabling everyone to have affordable access to the true name of god and his word god s true name has been known for thousands of years yet man decided it was too sacred to use then why did god give us his name over 6 800 times in the old testament he said don t abuse it not don t use it isn t it time we returned his name to where it belongs in his word honor his name with his word not god or g d not lord or l rd not even jehovah although this has become the english pronunciation there is no j in the hebrew alphabet his true name with full vowels has been found in over 2 300 hebrew manuscripts yes our god has a name and it is yehovah isn t it time to start calling our god by his true name no longer hidden by priests popes ministers or rabbis find out what others have known and hidden for centuries all in the name of fear fear no more our god said therefore i will teach them this time i will teach them my power and might then they will know that my name is yehovah jeremiah 16 21 in the true name torah his name has been returned to his word read it just as he said it and commanded moses to record we call other gods by their name zeus poseidon buddha allah and hundreds of others it s time we called the one true god by his name read it say it and shout it with joy his name has been returned to his torah the first five books of the bible there is no other name like it because there is no other god like him does your bible contain the true name of god this book is a large 8 1 2 x 11 with 12 point font for easy reading parsha markings are added to easily follow weekly readings new chapter and verse layout provides an easy to follow pattern throughout the book

besides the biblical five books of moses pentateuch there are other writings ascribed to moses pseudepigraphically no doubt the so called sixth and seventh books of moses in particular consists of a collection of texts which purport to explain the magic whereby moses won the biblical magic contest with the egyptian priest magicians parted the red sea and other miraculous feats many manuscripts and printed pamphlet versions had circulated in germany when johann scheible undertook to collect the major variants scheible an antiquarian from stuttgart published the first edition in german in 1849 as volume 6 of his bibliothek der zauber geheimniss und offenbarungs bucher etc subsequent revised and expanded editions were supplemented with excerpts from writings on jewish folklore and esoterica an english translation first appeared in new york in 1880 and has been reprinted more than a few times without as far as i can tell ever being re edited the editors of the many english editions seem to have lacked scheible s industriousness but have instead been content with propagating any and all errors intact all the english editions

thus far have consequently been deficient in many ways with poorly executed drawings and hebrew lettering drawings printed upside down mistakes in transcription and translation passages censured and other substantial omissions all in all english speaking readers have had an especially difficult challenge trying to make sense of this book in making this corrected edition i have drawn on the original sources starting with scheible s own revised and expanded eighth edition additionally i have consulted the original sources drawn on by scheible and his sources namely the hebrew bible agrippa de occulta philosophia 1533 sepher razi'el de abano s heptameron arbatel of magick 1575 the babylonian talmud and other cited authors this book has become quite influential in american folk magic and has been extensively used by the pennsylvania dutch hexmeisters hoodoo practitioners and african american root workers i hope that this corrected edition will be of interest to those who have suffered with the problems of prior editions and i welcome all suggestions
